

# Cotopaxi National Park (8 hours)

## Cotopaxi Volcano Full Day

It's Perfect conic shape could be observe on the horizon from the city of Quito.

Experience the beauty of one the most remarkable attractions of the legendary "Avenue of the Volcanoes" like Alexander Von Humboldt named to this region of the Ecuadorian Andes.

We will take the Pan-American Highway southwards , through a series of small towns, valleys, grazing lands and cultivated fields with enchanting landscapes of the Ecuadorian highlands. Then we will take the side road that will take us to discover the impressive volcanism, flora and fauna that the Cotopaxi National Park protects.

Visit to the Interpretation Center, the Limpiopungo lagoon as well as a short walk. If time permits, we can climb the refuge of the volcano to observe an impressive landscape of the Andes.

Lunch in the area included.
